Any question related to the implementation of these products, we recommend consulting our **Technical Assistance Service S.A.T.** at info@gecol.com

The colours in this swatch are indicative, since once applied they may show slight variations depending on:

- Application conditions (temperature, support, mixing water, etc.).
- Type of coating (**GECOL Monocapa**, **GECOL Revocal**, etc.).
- Textures and finishes (scraped, floated, drop, etc.).
- Origin of the coatings according to the manufacturing centre.
